Make 2026 The Best Year Ever!

When we come to the end of the year, what's "normal" is to start looking at all the things we want next year to bring. We set wishful resolutions that we know have little chance of being fulfilled. It we make a to do list of things to make us feel accomplished.

It's true that sometimes we get lucky, but I'm not willing to leave my future up to chance. Can you relate?

Why We Travel

A Personal Perspective

Traveling opens many doors to the world, increasing our understanding of other and our empathy. It also takes a toll on the planet. Do the benefits outweigh the cons?
